**PACIFIC PALISADES HOTEL UNDER NEW MANAGEMENT**

***Departure from Kimpton Hotel & Restaurant Group***

**VANCOUVER, BC, August 31, 2009** – After a ten year relationship, beginning September 1, the Pacific Palisades Hotel will be under the management of O'Neill Hotels & Resorts. Mr. Pradeep Puri has been appointed General Manager bringing with him over twenty-five years of hotel operations expertise to his new role. The Pacific Palisades Hotel will continue to operate but as an independent property without the Kimpton brand. This will in NO way affect our ability to deliver the high level of service and quality our guests and clients have come to know and expect when you visit or recommend us to colleagues and friends. We will continue to offer 7 flexible meeting rooms, a suite for the price of a room, uncomplicated yet sustainable food and beverage sensations in banquets and Zin Restaurant & Lounge, and a first class health club with 55 ft pool, Jacuzzi, infrared sauna and MBody Spa. Please contact me directly if you have any questions. We remain, FUN & FABULOUS!
